

SinoHub, Inc. to Host Conference Call on Fiscal Year 2010 Financial Results on March 14, 2011 at 10:00 a.m. ET

SHENZHEN, China, March 10, 2011 - SinoHub, Inc. (NYSE Amex: SIHI), a rapidly-growing electronics company in the People's Republic of China, engaged in private label, custom design mobile phone manufacturing and sales (ICM) and electronic component sales and services (ECSS), today announced it will release its fiscal year 2010 financial results on Monday, March 14, 2011 before the market open. In conjunction, the Company will host a conference call to discuss these results on the same day.

The conference call will take place at 10:00 a.m. ET on Monday, March 14, 2011. Interested participants should call 1-877-941-1427 when calling within the United States or 1-480-629-9664 when calling internationally. The passcode is 4424326.

This conference call will be broadcast live over the Internet and can be accessed by all interested parties by clicking on this link: <http://viaid.net/dce.aspx?sid=000082F3>, or visiting <http://www.viaid.net>, where the webcast can be accessed through March 19, 2011. The webcast will be accessible live and on an archived basis via the Company's website (<http://www.sinohub.com/investors>).

To hear a replay interested parties may also call 1-877-870-5176 when calling within the United States or 1-858-384-5517 when calling internationally (passcode 4424326) through March 21, 2011.

About SinoHub

SinoHub, Inc., founded in 2000 by veteran entrepreneur Harry Cochran and electronics industry veteran Lei Xia to play a part in the electronics revolution in China, provides integrated contract manufacturing, electronic component purchasing, and world-class supply chain management services with transparent information access for participants in the electronic components supply chain in China. SinoHub conducts substantially all of its operations through its wholly-owned subsidiary SinoHub Electronics Shenzhen Limited in the People's Republic of China and its wholly-owned B2B Chips subsidiary in Hong Kong, which offers electronic component purchasing and integrated contract manufacturing services currently focusing on the mobile phone market. For more information, visit the Company's Web site at www.sinohub.com and the B2B Chips Web site at www.b2bchips.com.
