

## **SinoHub Inc. Receives "2009-2010 Guangdong Trusted Enterprise Award"**

---

**SHENZHEN, June 16, 2011** - SinoHub Inc. ("SinoHub" or the "Company") (NYSE Amex: SIHI), an electronics company whose main growth driver is manufacturing and distributing custom, private-label mobile phones, announced today that it has received the "2009-2010 Guangdong Trusted Enterprise Award" (the "Award") issued by the Guangdong Enterprise Union and Guangdong Entrepreneur Association. The Award is granted in accordance with guidelines established by the Ministry of Commerce, P.R.C, the National Development and Reform Commission and 13 other Chinese governmental departments. Enterprises qualify for the Award by exceeding criteria regarding taxation, protection of customer rights, credibility, adherence to contracts, operational strength, employment, manufacturing quality and social responsibility. The Award indicates that SinoHub has performed well in the above mentioned areas for two consecutive years, namely 2009 and 2010. For more information about the Award, please go to <http://www.cgec.com/chengxin/default.asp>.

Commenting on the announcement, SinoHub's CEO, Harry Cochran said, "We are delighted to receive the Guangdong Trusted Enterprise Award recognizing SinoHub's commitment to its customers, employees and transparency in all aspects of our business. We are proud that throughout our eleven year history we have lived up to our reputation as a company our customers can trust."

### **About SinoHub, Inc.**

SinoHub, Inc. (NYSE Amex: SIHI) is a leading electronics company based in Shenzhen, PR China which services clients worldwide. The Company's integrated contract manufacturing (ICM) business unit is currently focused on providing custom, private label mobile phones to customers in developing countries. This fast growing ICM segment is capitalizing on a trend by carriers and distributors to offer their own brands with features and functionality targeted at their local markets, including 3G smart phones, at competitive price points. The Company's electronic component sales and services (ECSS) business unit provides procurement-fulfillment, spot component sales and supply chain management (SCM) services to manufacturers and design houses. The company's SCM services include warehousing, delivery, import/export, and give its customers total transparency into their supply chains by delivering SinoHub SCM, a proprietary, Web-based software platform the company has been using for almost ten years.
