

## **SinoHub, Inc. to Host Second Quarter 2010 Results Conference Call on August 12, 2010 at 10:30 a.m. ET**

---

**SANTA CLARA and SHENZHEN, CHINA, August 9, 2010** - SinoHub, Inc. (NYSE Amex: SIHI), a rapidly growing electronics company in the People's Republic of China currently engaged in electronic component sales, private label mobile phone manufacturing and sales, and electronic component supply chain management (SCM) services, today announced that it will release its second quarter 2010 financial results on Thursday, August 12, 2010 before the market open. In conjunction, the Company will host a conference call to discuss these results.

The conference call will take place at 10:30 a.m. ET on Thursday, August 12, 2010. Interested participants should call 1-877-941-206 when calling within the United States or 1-480-629-9712 when calling internationally (passcode 4348175).

This conference call will be broadcast live over the Internet and can be accessed by all interested parties by clicking on this link: <http://viaid.net/dce.aspx?sid=00007993>, or visiting <http://www.viaid.net>, where the webcast can be accessed through August 24, 2010.

### **About SinoHub**

SinoHub, Inc., founded in 2000 by veteran entrepreneur Harry Cochran and electronics industry veteran Lei Xia to play a part in the electronics revolution in China, provides virtual contract manufacturing, electronic component purchasing, and world-class supply chain management services with transparent information access for participants in the electronic components supply chain in China. SinoHub conducts substantially all of its operations through its wholly-owned subsidiary SinoHub Electronics Shenzhen Limited in the People's Republic of China and its wholly-owned B2B Chips subsidiary in Hong Kong, which offers electronic component purchasing and virtual contract manufacturing services currently focusing on the mobile phone market. For more information, visit the Company's Web site at <http://www.sinohub.com> and the B2B Chips Web site at [www.b2bchips.com](http://www.b2bchips.com).

### **Cautionary Statement Regarding Forward-looking Information**

Some of the statements contained in this press release that are not historical facts constitute forward-looking statements under the federal securities laws. Forward-looking statements can be identified by the use of the words "may," "will," "should," "could," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "intends," "potential," "proposed," or "continue" or the negative of those terms. These statements involve risks known to the Company, significant uncertainties, and other factors, many of which cannot be predicted with accuracy and some of which may not even be anticipated, which may cause actual results, levels of activity, performance, or achievements to be materially different from any future results, levels of activity, performance, or achievements expressed or implied in those forward-looking statements. Such risks, uncertainties and factors include, but are not limited to, the Company's ability to expand its customer base, the ability to access capital for such expansion, assumptions concerning future economic and competitive conditions and other factors detailed from time to time in the Company's filings with the United States Securities and Exchange Commission including the Risk Factors detailed under Item 1A of the Company's Annual Report on Form 10-K filed with the Securities Exchange Commission on March 31, 2010. Readers are cautioned not to place undue reliance on these forward-looking statements. The Company undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
