SHENZHEN — November 11, 2011 — SinoHub, Inc. (“SinoHub” or the “Company”) (NYSE Amex: SIHI), an electronics company whose main growth driver is manufacturing and distributing custom, private-label mobile phones, announced today that it will release unaudited financial results for the third quarter ended September 30, 2011 on Monday, November 14, 2011, before the US market opens. The previously scheduled conference call for 10:00 AM EDT on Tuesday, November 15 has been rescheduled to Monday, November 14 at 10:00 AM EDT.

SinoHub has rescheduled the date of its earnings release and conference call in order to facilitate the timely filing of the Company’s quarterly report on Form 10-Q for the three months ended September 30, 2011.

The earnings release will be available on the investor relations page of the Company’s website at www.sinohub.com.

Following the release of the earnings announcement, SinoHub senior management will host a conference call at 10:00 am (US Eastern) / 7:00 am (US Pacific) / 11:00 pm (Beijing / Hong Kong time) on Monday, November 14, 2011 to discuss the Company’s third quarter 2011 financial results and recent business activities.

To access the live teleconference, please dial +1-877-941-1428 (US) or +1-480-629-9665 (International), and reference the passcode 4487375. Please dial in approximately 10 minutes before the scheduled time of the call.

A replay of the conference call will be available shortly after the call until Monday, November 21, 2011, by dialing +1-877-870-5176 (US) or +1-858-384-5517 (International) and entering the passcode 4487375.

A listen-only webcast of the conference call will also be available on the investor relations page of SinoHub’s website at: <http://www.sinohub.com>.

About SinoHub, Inc.

SinoHub, Inc. (NYSE Amex: SIHI) is a leading electronics company based in Shenzhen, PR China which services clients worldwide. The Company's integrated contract manufacturing

(ICM) business unit is currently focused on providing custom, private label mobile phones to customers in developing countries.
