**About SinoHub, Inc.**

SinoHub, Inc. (NYSE Amex: SIHI) is a leading electronics company based in Shenzhen, PR China which services clients worldwide. The Company's integrated contract manufacturing (ICM) business unit is currently focused on providing custom, private label mobile phones to customers in developing countries. This fast growing ICM segment is capitalizing on a trend by carriers and distributors to offer their own brands with features and functionality targeted at their local markets, including 3G smart phones, at competitive price points. The Company's electronic component sales and services (ECSS) business unit provides procurement-fulfillment, spot component sales and supply chain management (SCM)

services to manufacturers and design houses. The company's SCM services include warehousing, delivery, import/export, and give its customers total transparency into their supply chains by delivering SinoHub SCM, a proprietary, Web-based software platform the company has been using for almost ten years.
